

Holly's Clubhouse daycare in Norton

Dear Santa,
Merry Christmas! For Christmas, I really, really want a telescope. I have wanted one for like three years. I would also like a Shake-It-Up Barbie and Shake-It-Up shoes, a cheetah purse and finger tip-less gloves. I am always a big helper at home and school. I love to read books and study hard. I would also like some new dance shorts as I dance a lot and they are really comfortable. Thanks, Santa, for working so hard to make all of our toys.
Love, Libbi

Dear Santa,
How are you? I really like Rudolph! Maybe it's his shiny nose because at the ripe age of 10 months, I'm into bright lights! Would you happen to have a toy hammer? I'm getting really good at swinging my arms and a hammer would help me a lot. I'm looking forward to sharing a glass of milk.
Love, Luke

Dear Santa,
My name is BreeAnna and I'm four months old, so this is my first Christmas. I'm the youngest of the bunch. I have an older sister and brother that just love me, but they don't like to share their toys with me so I need some of my own. I haven't been bad because my mommy and daddy told me about you so I've been extra sweet. I'll leave you a bottle my milk and some home-made cookies that my grandma makes if you stop by. Thanks, Santa.
Love, BreeAnna

Dear Santa,
I am really amazed at all the Christmas lights. I even got to help put our tree up. That was fun. For Christmas, I would like a farm set, farm animals and a tractor, and maybe some new farm books. Make

sure they are short stories so that my Nana will stay awake reading to me! I can't wait to open presents! Thank you, Santa.
Love, Caylob

Dear Santa,
This year I have been a very good girl. I love to play with my puppies, Sasha and Khloe. I enjoy reading books and watching Tangled. For Christmas, I would like to have a play house to keep me busy on the cold winter days. Have a safe Christmas! I love live animals, so maybe I can meet your reindeer?
Love, Caroline

Dear Santa,
I would like a new doll, some new books and a play kitchen.
Love, Katelyn

Dear Santa,
Since I'm too little to really play with toys, clothes and things that light up are good. Thanks, Santa!
Love, Jayce

Dear Santa,
I have been a good little girl, maybe a little onery, but good. I'm so excited for Christmas this year since I'm two years

old and finally know who you are, and wow, you're great! I would love to get a kitchen set from you, a really big one! And if you think I've been extra good, I love Mickey and Minnie Mouse, Elmo and princess stuff.
Love, Kieryn

Dear Santa,
I just turned one and I am so excited to get to learn about you over the next several years. For Christmas, I would like some big Lego building blocks to build or just make noise with. I would also like some new books because I really like looking at them and being read to.
Love, Jasmin

Dear Santa,
This year for Christmas I would like some race cars, choo-choo trains, crayons, coloring books and play-dough, please! Don't forget to visit all my cousins, too, because I really love them! Check for milk, cookies and reindeer food.
Love, Maddisen

Dear Santa,
I am excited that you are getting ready to visit my house. This is going to

by second Christmas so I know it will be very exciting for me! I like tools, cars, footballs and tractors (green, of course). My mommy is going to help us make special cookies just for you and we will also have carrots for the reindeer! I have been a good boy. Well, most of the time, but I try really hard to be. I just can't help it that I climb like a monkey! See you soon, Santa!
Love, Jaden

Dear Santa,
I have been a very good little boy this year. I will make sure to have mommy and daddy bake you lots

of cookies and leave fresh grass for the reindeer. Can I please have a race car bed for Christmas? I would love one to be as fast as Lightning McQueen. God bless you this Christmas!
Love, Braylin

Dear Santa,
I have been a very good girl. I would like a necklace, light-up boots, books, babies and a stroller. Also, I would like you to bring my dogs, Lilly Ann and CoCo, some new toys to play with. I will leave cookies and milk for you and carrots for the reindeer.
Love, Kandyce
