## WEEKLY SERMONETTE

### “A Time For Repentance”

By Darel Boston

Political speeches are awash with “the American people” this and that. It’s a great time for our nation to review who we are, what we believe, and how we should proceed.

II Chronicles 7:14 quotes God’s words: “If my people...will humble themselves and pray, and seek my face and turn from their wicked ways, then will I hear from heaven, and forgive their sins, and heal their land.” What a promise awaits His people when they turn back to Him!!

What’s needed as a nation, has to begin with each person. So the following poem can be useful in help-

ing each of us be a part of our national “turn” to God.

#### YOUR PRIVILEGE TO REPENT

Before you’re called to face the Judge, Before your life is fully spent, Before death and everlasting hell,

It’s your privilege to repent!

In the presence of the God of justice Where record of your sins was sent, There stands the Christ who died for you.

It’s your privilege to repent!

So say again your reasons For delay, for why you can’t...

Tell them to the Savior Who gives your privilege to repent!

But listen to Him say to you “For your sake my blood was spent” Then delay not one day longer While there’s time today: Repent!

### Make Way for Spring

The holidays are but a memory; the snow, which was novel in November and welcomed in December, is merely tolerated in January and declared a nuisance in February. Still we must bear the ice and freezing temperatures awhile longer, at least in some parts of our country. Yet, toward the end of winter there may be a most unusual day, when the air is not quite so cold and the sun melts the winter snow. God is making way for spring, giving us a day to lift our spirits.

Does it sometimes seem like your winter will never end; that you have more than your share of trouble and sorrow? Learn to know God; accept Him and let His love touch your life like the revitalizing warmth of an early spring day. Spend time at your House of Worship this week and let God lift your spirits!
