AUCTIONEER NOTES: The Griffin house sets real close to Highway 36 and is a large two story one. My auction crew and I have moved the machinery and tool and shop items across Highway 36 to the flat area owned by Ag Valley Co-Op for the sale. I think you will find the items offered at the site very interesting and antique. Some have salvage value and others have good use left in them. When the sale moves to the 4-H Building, the items there are ones which you will want to put on your shelves or in your home. The vehicle and MTD Yard Machine are in excellent condition. There are sure to be some surprises that are not listed as we are still getting ready at the time of printing. Join my crew and me as we do this "SALE ON THE MOVE" the last day of March. This is the way to usher March out either like a lion or lamb.
