

# New patrol recruit classes

The Kansas Highway Patrol is excited to announce that we are going to be hiring a new class of recruit troopers, who will begin their careers with the Patrol this coming January. This will be the 53rd KHP recruit class, and marks the Patrol's effort to increase manpower on the highways in Kansas, as well as provide assistance to some local agencies who rely on the Patrol's partnership.

"Becoming a state trooper gives individuals an opportunity to serve in our state, as well as the communities they live in," Lieutenant Joshua Kellerman, KHP Public Information Officer, said.

Applications are being accepted now through Friday, June 21, 2013. Applicants will go through an extensive hiring process, which will include a written examination, physical agility test, polygraph exam, background investigation, inter-

view, physical examination, and psychiatric test. Upon successful completion of these steps, final offers of employment will be made. The recruits will report to the Training Academy on January 8, 2014.

"This will be the fourth class of state troopers we have hired since January of 2012. If you have any interest or questions about joining the Kansas Highway Patrol, give us a call at 785-296-6800 and a trooper would appreciate the opportunity to speak with you," Kellerman said.

With retirements, promotions, and short-staffing in many areas of the state, these new troopers will come at a welcome time. The Patrol prides itself in the assistance we offer to local agencies. Hiring additional troopers will not only enhance our ability to assist other agencies, but provide much needed law enforcement coverage throughout the

state that Kansas residents and travelers through our state have come to rely on.

TO APPLY for KHP Class #53: Please promptly submit a tax clearance certificate by accessing the Dept. of Revenue website [www.ksrevenue.org/taxclearance.html](http://www.ksrevenue.org/taxclearance.html), along with an Employment Application at [www.jobs.ks.gov](http://www.jobs.ks.gov). This application site can also be accessed from [www.kansashighwaypatrol.org](http://www.kansashighwaypatrol.org): click on Career Opportunities, Current Openings, Apply Online. If you mail hard copy application and tax clearance materials, they must be post marked no later than June 21, 2013 and addressed to: Janice Kelly, c/o KHP Recruiting, 122 SW 7th Street, Topeka, KS 66603. ADA/EOE/VPE. If you have further questions on the hiring process or what the trooper position entails, please contact the Kansas Highway Patrol at (785) 296-6800.

in the landfill. He said that the company says it could increase the capacity of that pit by 40 to 65 percent. The commissioners decided

that the geologic work involved in increasing the size or number of pits needs to be done first and then the re-permitting should be done.
