

Seven lakes under warning

The Kansas Department of Health and Environment (KDHE) samples publicly accessible bodies of water for cyanobacteria, commonly called blue-green algae, when the agency is alerted to a potential algae bloom in Kansas lakes. When harmful algal blooms are present, KDHE, in cooperation with the Kansas Department of Wildlife, Parks and Tourism (KDWP) and other lake managers where appropriate, responds by informing the public of these conditions.

Based upon sampling results and established health risk levels, the following Warnings and Advisories are in place.

KDWPT reminds visitors that when a lake is under an Advisory or Warning, marinas, lakeside businesses, and park camping facilities remain open for business, although swim beaches will be closed. Park drinking water and showers are safe and not affected by the algae bloom. Also, it is safe to eat fish caught during a harmful blue-green algae outbreak, as long as consumers clean and rinse the fish with clean, potable water; consume only the fillet portion; and discard all other parts. People should also wash their hands with clean, potable water after handling fish taken from an affected lake.

CURRENT WARNINGS & ADVISORIES

Public Health Warning: High levels of toxic blue-green algae have been detected. A Public Health Warning indicates that water conditions are unsafe and direct water contact (wading, skiing and swimming) is prohibited.

Kansas public waters currently under a Warning status:

- COLWICH MEMORIAL PARK LAKE, Sedgwick County
- HIAWATHA CITY LAKE, Brown County
- LAKE WARNOCK (Atchison County Lake), Atchison County
- LOGAN CITY LAKE, Phillips County
- MEMORIAL PARK LAKE

(Veteran's Lake), Barton County

RIGGS PARK LAKE, Sedgwick County
ROSE'S LAKE, Johnson County

When a Warning is issued, KDHE recommends the following precautions to be taken:

Humans, pets and livestock do not drink lake water

Water contact is prohibited. Avoid swimming, wading or other activities with full body contact of lake water

Clean fish and rinse with clean water, consume only the fillet portion, and discard all other parts

Do not allow pets to eat dried algae

If lake water contacts skin or pet fur, wash with clean potable water as soon as possible

Avoid areas of visible algae accumulation

Public Health Advisory: Harmful blue-green algae have been detected. A Public Health Advisory indicates that a hazardous condition exists. Water activities like boating and fishing may be safe; however, direct contact with water (i.e., wading, swimming) is strongly discouraged for people, pets and livestock.

Kansas public waters currently under an Advisory status:

- ATCHISON COUNTY PARK LAKE, Atchison County
- SOUTH PARK LAKE, Johnson County (Downgraded from Warning)

When an Advisory is issued, KDHE recommends the following precautions to be taken:

Humans, pets, and livestock do not drink untreated lake water

Clean fish and rinse with clean water, consume only the fillet portion, discarding other parts

Do not eat or allow pets to eat dried algae

If lake water comes in contact with skin or pet fur, wash with clean potable water as soon as possible

Avoid areas of visible algae accumulation

2012 DELINQUENT REAL ESTATE LISTING

Published in The Norton Telegram, Friday, August 16, Friday, August 23 and Friday, August 30, 2013

I, Cynthia J. Linner, Treasurer of Norton County, Kansas, do hereby give notice that the following tracts of land and town lots will be, by me, bid off in the name of the Norton County, Kansas on or after the first Tuesday of September following publication of listing of real estate subject to sale for the amount of the delinquent taxes and the legal charges due thereon including the costs of advertising and the fees for selling for the taxable year 2012, all in accordance with the provisions of K.S.A. 79-2301 to 79-2323a, at my office in Norton, the County seat of the County. Said land and town lots all being situated in Norton County and the State of Kansas. A few taxpayers whose names appear in this legal publication may have made payments. Unfortunately, it is not always possible to delete names after the list is submitted for publication. I regret any embarrassment this may cause.

—Cynthia J. Linner, Treasurer, Norton County, Kansas
