

Transportation open house Oct. 15

The Kansas Department of Transportation (KDOT) invites the public to an informational open house, in order to get feedback from the public on two future bridge projects which will temporarily close sections of K-9 Highway in Norton County.

The Open House will be Tuesday, Oct. 15 from 5 to 7 p.m. at the Lenora Community Room, 110 North Main Street, Lenora, Kansas.

Engineers will discuss the scheduling of construction and

associated detours, as well as share information regarding two bridge replacement projects in Norton County.

The first bridge is located approximately 11.5 miles east of the Norton/Decatur County line on K-9 Highway (between Lenora and the U.S. 283 junction), over the North Fork Solomon River Drainage. The second bridge project is located less than a mile east of the K-9/K-173 junction (between Edmond and Logan) on K-9 High-

way, over Big Timber Creek.

The bridge projects are funded by T-WORKS, the Transportation program passed by the Kansas Legislature in May of 2010; and designed to create jobs, preserve highway infrastructure, and spur economic development opportunities across the state.

Questions, concerns, or special needs prior to the meeting may be addressed by calling (785) 877-3315. The meeting space is ADA accessible.

Festival grant application available online

Kansas First Lady Mary Brownback recently announced that applications for Kansas Book Festival Grants can now be found online. Public libraries and school libraries located in Kansas are eligible to apply for the grants. Information and applications are available here: kansasbookfestival.com/get-involved/grants/

"These grants will help libraries with resources to stay ahead of the technology curve and to keep the materials on their shelves as relevant as possible to the young patrons of the library. I want all Kansas chil-

dren to have a rich and fulfilling experience with libraries and books, and my hope is that these grants will help achieve that," said First Lady Brownback

The two grants will pay for either technology improvements or to fund book purchases. Libraries may apply for both grants, but no library will be awarded both grants in the same calendar year and libraries are not eligible to receive grants in back-to-back years.

Applications must be post-marked by Dec. 31, 2013 and grants will be awarded in March, 2014.

In conjunction with Governor Sam Brownback's initiative to improve the percentage of fourth-grade students reading at or above grade level, the First Lady created an annual book festival for the state of Kansas. The Kansas Book Festival is a 501(c)3 organization through the Topeka Community Foundation, which makes all contributions tax deductible. For more information about library grants, event information, or to contribute to the Kansas Book Festival, please visit kansasbookfestival.com/.

Time for flu shots

The Norton County Health Department toured downtown businesses on Thursday, Oct. 3 to educate and vaccinate people against the flu virus. (Pictured) Jenda Jones, Norton County Health Department-LPN, prepares to give a flu shot to Norton Telegram reporter Mike Stephens. People without health insurance received their shots free of charge courtesy of funds from Kendra's Legacy.
