

Logan senior signs a letter of intent

Logan High School senior Michaela Girard signed a letter of intent on March 13 to play volleyball for Friends University in Wichita this fall. Michaela was chosen 1st team WKLL All-League Volleyball team this year and participated in the Northwest Kansas All-Star Matches. Michaela was also helped her team to two 4th place State finishes, in 2011 and 2013. Michaela has been a three-sport athlete at Logan High School. She has been a part of the girls basketball and track teams where she has earned honors and trips to state com-

petitions. Through high school, she has also shown her commitment to the sport of volleyball by playing club volleyball. She has been a member of club teams in Kearney and Holdrege, Nebraska. "Michaela has worked very hard to put herself in a position to play college volleyball. I am very happy for her that she is able to see this goal to the end. Our Logan High volleyball teams will certainly miss her, but I am very excited for the new challenges that lie ahead for her and wish her the best of luck at Friends University!"

said Logan Head Coach Robin Van Laeys. The Falcons compiled a 26-13 record in 2013 under the direction of Head Coach Martin Ayin in his 10th season. "We are very excited to have Michaela join us this fall. She will be a great addition to our program on the court and in the classroom. I am looking forward to working with her as a setter," said Coach Ayin. Michaela is the daughter of Kirk and Tammy Girard, Prairie View.
