REQUIREMENTS:

Membership into the Norton Chapter of National Honor Society is based on four criteria: scholarship, leadership, character and school and community service. Students meeting the scholarship criteria of a cumulative 3.7 grade point average are suggested for membership. After ten positive teacher evaluations are achieved, those qualifying students enter the application process.

Students must then exhibit leadership by holding office or being in leadership positions. Applicants must also acquire three positive leadership recommendations from teacher, coaches and sponsors.

Character is the third criteria. Students must have at least three positive character references filled out by teachers, sponsors and coaches.

The fourth criterion includes both school activities and community service activities. Students must be involved in a minimum of twelve school activities in three different areas. Applicants must also accumulate at least eight different community services activities.

Scholarship

Students must maintain a cumulative grade point average of 3.7 or higher. After 10 positive evaluations from teachers, qualifying students enter the application process.

Leadership

Students must exhibit leadership by holding offices or serving in leadership positions. Applicants must also acquire three positive leadership recommendations from teachers, coaches and sponsors.

Character

Students must obtain at least three positive character references from teachers, sponsors and coaches.

Service

Students must be involved in at least 12 school activities in three different areas. At least eight different community services activities are required.
