Make Church a Part of Your Life

WEEKLY SERMONETTE

"Medicine for America"

By Preacher/Teacher Terry Laughlin, CrossRoads Ministries

God Rules Over Nations
Psalms 22:28 says, "for dominion belongs to the LORD and He rules over the nations." The King James Bible says, "...He is the governor among nations."

God can restore our Supreme Court system to making decisions like the one made in 1892, "Our laws and our institution must necessarily be based upon and embody the teaching of the Redeemer of mankind. It is impossible that it should be otherwise; and in this sense and to this extent our civilization and institutions are emphatically Christian. This is a religious people. This is historically true. From the discovery of this continent to the present hour, there is a single voice making affirmation. We find everywhere a clear recognition of the same truth. These, and many other matters which might be noticed, add a volume of unofficial utterance that this is a Christian nation." (Justice Brewer delivered the opinion of the court on February 29, 1892) In the late 1950's the former Chief Justice Earl Warren, addressing the annual prayer breakfast of the International Council of Christian Leadership said, "I believe no one can read the history of our country without realizing that the Good Book [the

Bible] and the spirit of the Savior [Jesus Christ] have from the beginning been our guiding geniuses. Whether we look to the first Charter of Virginia or to the Charter of New England or to the Charter of Massachusetts Bay or to the Foundational Orders of Connecticut, the same objective is present: A Christian land governed by

Christian Principles. I believe the entire Bill of rights came into being because of the knowledge our forefathers had of the Bible and their belief in it: freedom of belief, of expression, of assembly, of petition, the dignity of the individual, the sanctity of the home, equal justice under the law, and the reservation of powers to the people. I like

to believe we are living today in the spirit of the Christian religion."

Psalms 33:12 says, "Blessed is the nation whose God is the LORD, the people He chose for His inheritance."

Medicine for America is God's Rule!

A Plan and A Purpose

Photo Credit iStockphoto.com/Photosotiroff

There is a purpose for every mark on the architect's blueprint; if the plans aren't followed, an unstable structure might result. A wise construction engineer will consult with the designer if in doubt. Consider that God is our Master architect, for He created us. He has given us His plan in the Bible; when we follow His design for our lives we will be filled with peace and joy. If we don't understand His plan, we can talk to Him through prayer. Visit Him this week at your house of worship and learn about His special plan for you.

PUBLIC NOTICE

If it's not in the newspaper, how will you know?

Zoning changes in your neighborhood. A proposal to increase your property taxes. Information on how public officials are spending your tax dollars. These are just a few of the topics — topics that affect your family and

your community — local government officials are required to publish in the local newspaper.

Your local newspaper fulfills an essential role in serving your right to know. After all, it shouldn't be your responsibility to know how to look ... where to look ... when to look ... and even what to look for in order to be informed about public information. It is the government's responsibility to notify you of public information, and your local newspaper is the most accessible place to find it.

PUBLIC NOTICES IN NEWSPAPERS.

Fun By The Numbers

Like puzzles? Then you'll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here's How It Works:

Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!
