

Welcome

Welcome to *The Oberlin Herald's* History Section.

With the aid of the Decatur County Museum and the assistance of the curators Myrna Jones and Sharleen Wurm plus a little help from former curator Fonda Farr, we've put together several stories of the history of the Oberlin and Decatur County.

Mary Lou Olson, Kimberly Brandt and Cynthia Haynes wrote the stories with the help of the museum staff and with information from *The Oberlin Herald* files. Dave and Sherry Bergling sold the ads and Karla Jones made them up.

We hope you enjoy this souvenir edition and please tell the advertisers, the people who make this possible, thank you.
