

He's up before the sun and his work doesn't end at 5 o'clock.
 He's out there in all kinds of weather every day of the year.
 We count on him for everything: from the food we eat,
 to the clothes we wear, to the chemicals we use.

He's the American Farmer!

We're proud to honor him and all the men and women working
 in agri-business, for their contribution to the American way of life!
