Correction

The caption for a picture of Leah Marietta in the April 27 edition of *The Oberlin Herald* incorrectly said that she had won the state powerlifting competition and the photo was with a story on high school lifting.
Marietta was competing in the

Collegiate National Powerlifting Championships. She is a freshman at Kansas State University.

The mistake was a reporter's error.

WEATHER

Decatur County Weather Forecast May 3rd - 7th

Tue	Wed	Thu	Fri	Sat
58/36	68/43	73/46	75/48	73/43

Normal High: 68
Normal Low: 41

Sunrise: 6:35 to 6:40am
Sunset: 8:39 to 8:43pm

One more day with temperatures below normal then things warm-up the rest of the week. With the warmer weather, so come breezy south winds and storm chances. Scattered thunderstorms are possible just about every afternoon and evening Wednesday through Friday. These storms will develop in Colorado during the afternoon and drift into Kansas during the evening. A few could be severe, but for the most part they will be too scattered to be a major threat. Saturday when the front and dry line move through the severe weather threat will increase.
