Cards of Thanks

Dear Friends: As a family we are devastated and blessed by all of the events that have taken place the past week. From 7:30 Monday morning when the EMTs were called, to the hospital where Dr. May and everyone else present tried heroically to save Jack's life, to this moment, our lives

have changed forever. We have been surrounded by a loving and caring community and you have stepped up to help make the last week bearable. We would like to thank everyone personally in this note; please know that your support is important to us. Once again we are reminded how blessed we are to live in this place. Thank you to all who offered your homes to us for lodging, brought out food and other offerings, to Pauls for the gentle guidance through the planning for the funeral, to Pastor Hasty and the Oberlin United Methodist Church for their comfort and support, to the Masons for their ceremony, to the Oberlin American Legion for the military salute, and to the many, many of you who've sent cards and called. A special thank you to Sandy Fair, for stepping in and keeping us fed and organized in our most difficult moments. Thank you all for your thoughts and prayers. God Bless You all,

The family of Jack Metcalf
Karen Metcalf, Brad and Laura Metcalf, Barry, Todd, Doug, Kristin and families

Thank you so much for each and every person who have helped raise money for Tim's cornea transplant surgery. The pancake feed Thursday night was a great success with your help we raised almost \$1,300. We thank God for all of your giving hearts. It's great to live in a town that takes care of people. We pray that each of you are richly blessed. A special thanks to the United Church, Living Word Fellowship, Kristi Smith, Carol Brown and Kelly Wasson. Without your planning and giving hearts this wouldn't have been possible. May God keep you and bless you.

Timothy S. and Kimberly Davis

Our recent benefits received: ambulance service, ER, clinic, hospital and home care — all first class service. So much so close. To all persons involved, a big thank you.

Don and Genola Claussen*

My family and I would like to express our sincere appreciation to the combined efforts of my co-workers at the Decatur Co-op, Oberlin Covenant Church Fellowship, and the Smokey Hill Chapter churches for all the work, time and delicious food made for my benefit. It was a huge undertaking but a huge success. A great big thank you for the community support and participation, for you are what made it so successful.

20 Clues to Community Survival*

Rate Decatur County 1 - 4 on each of the following: 1 - Excellent, 2 - Good, 3 - Fair, 4 - Poor

- **Evidence of community pride:** our community is a show place of care, attention, history and heritage
- **Emphasis on quality in business & community life:** people here believe that something worth doing is worth doing right
- **Willingness to invest in the future:** in addition to brick & mortar investments, all decisions are made with an outlook on the future
- **Participatory approach to community decision-making:** even the most powerful of opinion leaders seem to work toward building consensus
- **Cooperative community spirit:** the stress is on working together toward a common goal and the focus is on positive results.
- **Realistic appraisal of opportunities:** our community builds on strengths and minimizes weaknesses
- **Aware of competitive positioning:** local loyalty is emphasized, but our community knows our competitors and we position ourselves accordingly
- **Knowledge of the physical environment:** relative location and available natural resources underscore decision-making
- **Active economic development program:** there is an organized, public/private approach to economic development
- **Deliberate transition of power to a younger generation of leaders:** people under 40 regularly hold key positions in civic and business affairs
- **Acceptance of women in leadership roles:** women are elected officials, manager and entrepreneurial developers.
- **Strong support for education:** good schools are the norm, and centers of community activity
- **Problem-solving approach to providing health care:** health care is considered essential, and smart strategies are in place for diverse methods of deliveries.
- **Strong multi-generational family orientation:** activities include younger as well as older generations
- **Strong presence of traditional institutions that are integral to community life:** churches, schools & service clubs are strong influences on community development and social activities
- **Sound and well-maintained infrastructure:** leaders work hard to maintain and improve streets, side walks, water systems and sewage facilities
- **Careful use of fiscal resources:** frugality is a way of life; expenditures are treated as "investments"
- **Sophisticated use of information resources:** leaders access information that is beyond the knowledge base available in the community
- **Willingness to seek help from the outside:** people seek outside help for community needs, and many compete for government grants and contracts for economic and social programs
- **Conviction that, in the long run, you have to do it yourself:** we believe destiny is in our own hands; making our community a good place is a pro-active assignment, and we willingly accept it.

Meet North Platte's Cancer Specialists

The Callahan Cancer Center at Great Plains Regional Medical Center now has three top oncologists on permanent staff to offer new hope to those coping with cancer. Doctors choose to practice at Callahan Cancer Center because we offer them access to the latest technology in a brand-new, state-of-the-art facility. They come here because we're accredited by the American College of Surgeons Commission on Cancer. But, most of all, they come here to be part of our community — to live, work and raise their families right here in North Platte.
