Card of Thanks

I wasn't in the hospital very long but I do want the nurses and CNA's and Dr. Sliter to know I appreciated the excellent care I received. Thank you. Mildred Holmdahl

We would like to thank everyone from firefighters, friends, neighbors, and family that have helped us with thoughts, prayers, and donations since the fire. We can never say thank you enough. It's wonderful to know we live in such a caring community. May God Bless you all. Ron and Cindy Sattler

I would personally like to thank each and everyone of you for all your support, cards, e-mails and prayers over the past few weeks.

Now that I am recovering from cancer surgery, I have plenty of time to say thank you for so much.

To the medical staff: Dr. Wally Curry and Dr. Brantley Thrasher for their expertise in diagnosis and my surgical treatment, to the entire staff at the KU Medical Staff for their excellent care and helping me to recover.

To my office staff: Dr. Don Mayer for providing dental care for my patients and my special staff of Amanda, Marci and Robyn for dealing with the details and needs to keep the office open daily.

To my many circle of family and friends who have called to talk with me and encourage me, you all have been great.

A SPECIAL thanks to my family: my Dad in Wichita, my brother, Kurt, and his family in Salina and finally to my own children: Karli and Kaine. You have walked with me all the way and given me the hugs when I needed them.

A final thanks to my best friend and soulmate: Sarah. You have gone above and beyond the role of a "spouse and caregiver" with all you have dealt with in the past weeks. The loss of your father and then my diagnosis has "filled your plate."

I have learned a very simple lesson that when faced with cancer, our lives become simple in needs: only our Faith and family are needed and the rest of life has little importance.

I will be walking the laps with the cancer survivors at our Relay for Life on June 15, 2007 which will be a "new role" for me.

Again, a heartfelt thanks to each of you for your prayers, support and help for our entire family.

Gary Fredrickson
