The driver, a woman, seemed to be confused. An ambulance was called, he said, and one of the emergency medical technicians drove the woman to the hospital in her own vehicle. She was stopped on the highway near Penn Avenue.

## Correction

A story about the Norcatur School needing money for repairs in the Sept. 6 issue of *The Oberlin Herald* credited Dennis Leichliter for the information. It was actually written by Wava Reames of Norcatur, a member of the Norcatur City Council. Mr. Leichliter is a member of the Norcatur Alliance. This was a reporter's error.
