Public Notices

Environmental assessment available

Notice of the Availability of an Environmental Assessment

The USDA-Rural Utilities Service has received an application for financial assistance from the City of Oberlin. As required by the National Environmental Policy Act, the Rural Utilities Service has prepared an Environmental Assessment that evaluated the potential environmental effects and consequences of the proposed project. This notice announces the availability of the Environmental Assessment for public review and comment.

The proposed improvements, which consists of the construction of a new water treatment facility, sludge lagoon, water well and water distribution improvements, will

conform to the United States Environmental Protection Agency (EPA) and the Kansas Department of Health and Environment (KDHE) drinking water regulations, as well as requirements for ground water disinfections and disposal of treatment residuals. This project includes the following components, approximately 3,800 LF of new water transmission piping to bring the water from the City's existing wells to a single point for treatment and connect to the existing distribution system, a new water treatment facility to address uranium compliance, an approximate 3,200 SF water treatment building to house the treatment equipment and related chemical feed systems, pumps, valves, piping and controls, a new backwash waste lagoon to process

clarifier and filter backwash waste from the new water treatment facility. The proposed project will convert floodplain and wetland areas. The purpose of this notice is to inform the public of this proposed conversion and request comments concerning the proposed project.

Copies of the Environmental Assessment are available for review at USDA-RD, 2715 Canterbury Road, Hays, KS 67601. For further information contact David Barber at (785) 628-3081 Ext. 400. Any person interested in commenting on this proposed project should submit comments to the address above by October 12, 2007.

A general location map of the proposal is shown below.
