Kassia Bryan is the daughter of Ron Bryan. She has attended school in Oberlin 12 years. She says her favorite part of high school was "all the support I had from teachers and kids when I had Emily" (her daughter). Her favorite teacher from grade school is Jim Buchholz, and her favorite high school teacher is Matt Micek. Her favorite classes are balancing work and family along with tutor class. Her favorite high school ac-

tivity right now is forensics. What she is going to miss most about school is the "pointless high school drama." Kassia is involved in Drama Club, forensics, Scholar Bowl, FFA and music. She plans to go to the University of Kansas and major in elementary education. However, when she was a little girl she wanted to be a veterinarian. Her advice for underclassmen is, "Don't believe everything you hear."
