Spanish classes visit restaurant

By MIKA HACKNEY
The Spanish II classes were given a real-life situation last week when they went on a trip to El Puerto Mexican Restaurant in McCook last Thursday.
In class, the students had been learning and practicing the Spanish words necessary to order from a menu.
Many students said they really enjoyed the trip, and the food was great.
Their teacher, Señora Carol Brown said, "They did a good job ordering."

"It was fun to watch them apply what they'd learned to a real life situation."
The students who attended the lunch were Shawn Baker, Regent Erickson, Kaine Fredrickson, Molly Jansonius, Morgan Jansonius, Hannah May, Ryan May, Zach May, Grace Randel, Alondra Rivas, Cole West, Rex Diederich, Keatra Fisher, Daisy Rhein, Caitie Shields, Dakota Tate and Rebecca Wentz.
The students and Señora Brown left at 11 a.m. and returned around 1:45 p.m.

Students, staff can get flu shots

By JO MASON
Flu vaccinations for students and staff will be available again this year from the Decatur County Health Department.
Shots will be given at 7:30 a.m. at both schools: Oberlin Elementary on Thursday, Oct. 11, in the preschool room and the high school on Friday, Oct. 12, in the conference room.
The cost is \$25 for the regular vaccine and \$30 for the nasal mist vaccine.
If you have insurance, we will need a copy of your insurance card. If you don't have insurance, let us know and we can check on a reduced fee.
Letters were sent home with students. Students must have the consent form on the back filled out and returned to school. Please state which type of vaccine you want your child to receive.
If you have any questions, please contact Nurse Jo at the grade school, 475-2122, or the junior high/high school, 475-2231.
