## Crowd cheers Indians at Homecoming contest

A 34-6 win over Goodland gave the Indian football team a 3-0 record with the season moving into the final September outing this weekend. St. Francis outscored their Friday opponent to the cheers of the Sainty crowd attending the Homecoming festivities at Greene Field.

The Indian offense, with their largest score of the season, had four touchdowns in the second quarter. Bunching the scoring up in one quarter seems to be a pattern this year. In the Colby game it was a big first quarter, in the Phillipsburg game it was the third quarter and now in this game the second quarter.

Defensively St. Francis is still holding their opponents to six points or less. In the first two games, the Indians had shutouts and in this game Goodland scored one touchdown late in the game.

"I feel like we are getting better and that is our goal," Coach Tim Lambert said. "We have to continue to get better as we are still not where we need to be."

"We are not too bad for the third game but if we think we have arrived we're in trouble."

The offense varied against Goodland with the final touchdown coming on a pass play from quarterback Matt Raile to Trent Raile.

T. Raile had a 19-yard run in the first quarter to start the scoring for

the Indians.

During the second quarter, Drew Zwegardt added his name to the list of Indians having rushing touchdowns this year. He recorded two, one from 20-yards out and the next one from 21-yards out. Counting the three touchdowns scored at this point and the two T. Raile conversion points scored after Zwegardt's first touchdown, the Indians had a 20-0 advantage at this point.

The scoring was not over for the quarter though, as T. Raile added six points on a 6-yard run and also scored two points with a successful conversion run, making it 28-0.

Before the half was over, Sainty had their final score, the pass from the quarterback to T. Raile. The Indians did not add to the halftime score of 34-0 and the final quarters consisted mainly of defense.

A pass from Angelos to Rome, scoring 6 points for Goodland, canceled the shutout.

St. Francis had a total of 383 yards rushing to a total of 21 yards rushing for Goodland. The Indians effectively stopped the Cowboy's running game.

In the air, Goodland had 162 yards to 35 yards for Sainty.

The big difference was the consistency of the Indians taking the ball into the end zone.

A total of 89 tackles were recorded by Sainty with 29 of them unassisted. This accounts for the small amount of yards gained by Goodland. The Indians were in

the right place at the right time.

The Indians stand 2-0 in the Northwest Kansas League and 3-0 overall.

### Next action

Sainty will meet the Oakley Plainsmen in Oakley Friday night. The Plainsmen scored in the final minute of the game last year to take the win and hand the Indians their only regular season loss.

This year they are 2-1 going into the Indian/Plainsmen contest. They defeated Goodland, lost to Ellis and defeated Hoxie.

"Oakley plays hard," Coach Lambert said.

The Lady Indians met volleyball teams from Rawlins County and Wallace County on Sept. 16 in St. Francis. Sainty won the first game of the evening against Rawlins County but lost the next two and was defeated by Wallace County in two games. Final scores against Rawlins County were 25-18, 20-25 and 19-25. Against Wallace County, Sainty lost 10-25, 17-25.

The team has a 2-11 record as they travel to Imperial on Sept. 25.

### vs Rawlins County

25-18, 20-25, 19-25  
Sainty was 92 percent in their serves against the Lady Buffs. Elizabeth Gienger had the most

serves at 100 percent with 10-of-10. Marin had 22 serves with 20 being successful but added the most aces for the match with four.

"It was nice to play at home again," Coach Kent Kechter said. "We appreciate the fan support we get at the matches."

Service points: Marin 16, Gienger 3, Kaycee Williams 3, Jami Pevler 2, Joni Pevler 2, Sarah Trembly 2, Aubree Schlepp 1

"We did most things pretty well in this match," Coach Kechter said. "We did not execute well in the closing moments of the match or we would have won. We must work hard to improve our skills, but more importantly our confidence to

"make a play."

Gienger was 17-of-18 on the attack while Schlepp was 14-of-15. Having the most attempts was Jami Pevler with 20, with 17 successful.

Marin handled 42 sets and had 41 playable while Joni Pevler was 27-of-29.

"Jami (Pevler), Joni (Pevler), and Kaitlin Figgins all passed very well. Kaitlin had four block and two stuffs. Six players hit better than 85 percent.

Schlepp and Figgins each had two stuffs and Joni Pevler led in dig/saves with four.

"We will play the Lady Buffs again and hopefully we will win the next meeting."

### vs Wallace County

10-25, 17-25

"We passed too poorly to generate a good attack in this match," Coach Kechter said. "Jami (Pevler) had 29 good passes, but was our only consistent passer on the evening. Our setters did a decent job with the passes they received, but our attack suffered due to our inefficient passing."

Serves: Gienger (6/6), Jami Pevler (3/3), Joni Pevler (2/2), Williams (2/2) and Taryn richard (1/1) all were 100 percent. Marin had eight attempts and was successful seven times.

"Volleyball is a game where half of your team usually touches the ball on each possession," Coach Kechter said. "There is no place to hide on the floor. Everyone must execute

for the team to be efficient. We have to develop more consistency as a team. Everyone must perform on each play."

Kills: Figgins had three, Jami Pevler had two and Gienger, Richard and Williams had one each.

Blocks: Schlepp 3, Gienger 2. Digs/saves: The leaders were Marin with six and Jami Pevler with five.

"We will continue to work hard to get better," Coach Kechter said. "We have shown tremendous improvement in many areas, but still have a ways to go before we reach the level I think this team can achieve."

"Come support the Lady Indians."
