

Spring is finally in the air!!

ELEMENTARY SCHOOL STUDENTS were able to go outside and enjoy their wheels in the park for the accelerated reader party. Students kindergarten through sixth grade participated in the warm, sunny afternoon party. Clockwise from the top left, Matilynn Smull hung from the monkey bars at the park; first grader Asher Robbins rode his scooter; Shane Todd raced with friends; Avery Jensen had help from her friend Kaylee Doyle with her roller skates; and Jordan Smull lead the pack around the park.
